PRINCIPAL’S REPORT
Brad Madden

End of Term 1
This week sees the end of classes for Term 1 on Wednesday and the opportunity for interviews with teachers on Wednesday night and continuing on Thursday. The term has been short in terms of the number of weeks but there is still the same amount of teaching and learning to be included in the reduced time so students and staff have been very busy. Term 2 starts on Monday April 11 and it is essential that all families plan their routines around students attending school every day so that there are not the interruptions to learning that an absence creates. Early in Term 2 will see the very popular Arts and Science Festival and the whole school athletics carnival. These two occasions allow students the chance to be creative and to challenge themselves while working collaboratively with their peers. All students are required to attend these events to gain the benefits of the learning involved.

School Council Annual General Meeting
On Monday of this week was the Crusoe College Council Annual General Meeting. At this meeting, we said farewell to retiring councillors, Ian Swan, Veronica Collins, Karen Gross and long serving Council President, Craig Noske. Craig was acknowledged by those present for his significant contribution to the development of the school over the past eight years. At the same time, we welcomed new councillors, Emma Smart, David Hunter and Cindy Storrie and elected a new President, Matthew Hague and a new Vice President, Kris Connor. We thank these councillors for making the commitment to the College and look forward to their input throughout the year. In the regular council meeting that followed the AGM, there was discussion about co-opting additional members with specific expertise that can assist the school so we hope to be able to announce new members in the coming weeks.

Student Free Day
Thursday April 14 was approved as a student free day at the School Council meeting. This day will be used by teachers to set up the new components of Compass for reporting student progress. At the end of the semester, families will receive a report in the same way that has happened in the past, however, some of the comments from the report will be available to parents through Compass in advance of the formal release of the reports. This is one of the new features of the Compass program that will allow parents to be better informed of how their children are progressing at school and provide the opportunity to provide support and reinforcement as required.

Term 2 staffing
We will have some changes to staffing from the start of Term 2. Sherri Lawson returns to teach Indonesian while David White will be on leave and will be replaced by Gerard Hughes who is an experienced Humanities teacher who has previously worked at Kyneton Secondary College. Liz Macallister will also be on leave and her replacement will be appointed this week.

Compass usage
Please note that Interim Reports are now available via Compass. The current report, which contains both words and graphic representation, will be visible on the screen when you click on the Reports tab. In order to print the report, you will need to select Export to PDF on the right hand side of the screen. Up to the end of last week, 380 families had logged into Compass. Some have been on many times and others just once but we are very happy to see this level of engagement by parents. In addition to the website, it is possible to download an App that will allow you to receive alerts to your phone or iPad and make it easier to know when you may need to go online. As the year progresses, more and more of our communications will move to the Compass platform so if you haven’t already been into the program, please consider doing so as soon as possible. If you need assistance with log in details, please contact the general office.

Year 7 Camp
Well done to all the students and staff who attended the Year 7 camp a fortnight ago. Despite some welcome rain, students enthusiastically took part in a range of physical activities that provided the chance to interact with each other and their teachers. Thank you to the parents who made the effort to fund the camp and to provide the required clothes and equipment. Mr McGregor as the leader of the camp was able to report that the way students stepped up to manage themselves and be independent for the three days was very impressive. We look forward to seeing the skills and attributes developed in this environment being displayed in the school environment in the months ahead. Those students who were unable to attend the camp had the chance to interact with peers from a range of classes back at school and develop new relationships that will stand them in good stead in the future.

2016 Tasmania Trip – offer to Year 10 students
Expressions of interest have been sought and there are a number of students interested but there are still some more spaces that need to be filled to make the activity viable. As students now in Year 10 were unable to access this trip as Year 9s in 2015, there may be some interested in attending during 2016. If your child is in this situation, please speak with Gwenda Pratt for details. Attendance will be contingent upon meeting all other responsibilities of the Year 10 program such as work experience, the Deb Ball and any other commitments made.
IMPORTANT DATES  
FOR TERM 2 — 2016 
Start 11th April—Finish 24th June

Monday 11th April
GOOD FRIDAY Public Holiday

Wednesday 13th April
FIRST DAY OF TERM TWO
Deb Information meeting for Debs, Partners and parents 7pm in the JB Osborne Theatre.

Thursday 14th April
Student Free Day

Friday 15th April
Final cut-off for Expression of Interest /Deposit for the Year 8 Camp
Year 10 Safety Sense Program
Year 7 Immunisations (2nd round of immunisations)
Crusoe College Whole School ATHLETICS Day
Held at La Trobe University Complex, Flora Hill
Students come to school as usual, then are transported to the complex and returned to the college.

Monday 18th April
Year 10 Safety Sense Program

Tuesday 19th April
Anzac Day Service

Thursday & Friday 21st /22nd April
ANZAC DAY  Public Holiday

Monday 25th April
2016 Art/Science Festival

Wednesday & Thursday 27th /28th April
Sandhurst Division Athletics Carnival
Intermediate Sports Day—Term 2 (Yr 9 & 10)
2017 Parent Student information Night
Crusoe College Cross Country—Crusoe #7 Reservoir only students who enter this event compete
EBT Fundraising Dinner @ 6pm—Bendigo Stadium

Tuesday, Wednesday & Thursday 10th/11th/12th May
NAPLAN—Years 7 & 9

Friday 13th May
Get into Gaming Program—Ballarat (Yr 9 & 10)

Saturday & Sunday 14th /15th May
EBT—Loxton, SA 6hr challenge

Tuesday 17th May
Sandhurst Division Cross Country
Carmen’s Message—Year 10 students
Year 7 La Trobe University Bendigo excursion
Amazing Race & Graduate Games

Wednesday 18th May
Sandhurst Division Junior Sports Day—Term 2 (Yr 7 & 8)

Friday 20th May
Year 10 Exams

Tuesday 7th June
QUEENS BIRTHDAY Public Holiday

Wednesday 8th June
Sandhurst Division Year 8 Football

Wednesday, Thursday & Friday 8th/9th/10th June
Sandhurst Division Girls Football

Monday 13th June
DEB BALL—Wes Vine Pavilion, Truscott Reserve, Eaglehawk

Tuesday 14th June

Wednesday 15th June

Friday 17th June

Friday 24th June
LAST DAY OF TERM 2
YEAR 7 CAMP REPORT
Colin McGregor—Yr 7 Camps Coordinator

Ninety-five students attended the Year 7 Orientation Camp to Campaspe Downs from 9th-11th March.

The goals of the camp were to become familiar with:
- students in the year level
- teachers and staff
- Crusoe College values and expectations

I commend the students on meeting the goals of the camp to an exemplary level. We had a fantastic three days in Kyneton full of fun, adventure and happy times. I am proud to say that without exception, that this group of students embraced every opportunity and made the most of the experience. It was a delight to spend time with 95 positive, switched-on pupils. I have been leading camps for almost 40 years in the secondary system and this was the first time ever that I have walked away without hearing a single complaint about food, facilities or activities. The students accepted and embraced every aspect of this camp and maximised the opportunity.

A major factor in the success of the 2016 Campaspe Downs camp was the staff who attended. They set the tone and set the expectations and really enjoyed getting to know our Year 7 students. I know I speak for the students and their parents in thanking the Crusoe College staff for leaving their own families to support this important step in the formation of our Crusoe College family. Thank you to teachers: Shane Bright, Scott Dealy, Ellen McGrath, Joel McLean, Peter Scott, Harry Symons and to Education Support staff members: Gwenda Pratt, Lynne Priest and Linda Tschakert. Thanks also to our visitors Brad Madden, Richelle Hollis, Rachel Walz and Melissa McConville.

All students performed to an exemplary level however I wish to mention the names of particular students who were noted by teachers to be living out the Crusoe College values of trust, integrity, honesty and respect.

Congratulations to:

7B: Brianna Aldridge, Maddi Kirk, Ethan Murray, Summer Pannowitz Saville, Zak Ellerton
7C: Jansje Shepisi, Dallas Sheahan, Harrison Garrett
7D: Ella Tobin, Karli Yanner, Tiarni Baxter, Declan McDonald
7E: Connor Richards, Olivia Brash, Lulu Say, Emily Snell
7F: Amber Kiel, Kiarra Sunderland Barlow, Cody Vickers, Abbigail Barlow
7G: Shawn Bradley, Caelin Allen, Dylan Wiltshire, Alana Jurisic

WHITE COMMUNITY
Colin McGregor—Community Leader

In this final week of Term One, staff in the community reflected on our achievements and the culture that is being fostered in White Community. The “plus-es” from our reflection are shared below. We will be asking students to share their thoughts early in Term Two. Please let us know what you, as a parent, see as “PLUS” or “MINUS” points about White Community. We would appreciate your feedback.

Running vertical groups on Thursdays during Advisory supports team building and the students find these sessions fun and challenging. There is a sense of calmness in the community and students seem settled.

Weekly community assemblies are held every Monday which helps to set the direction for the week and reminds students of both the Advisory program focus and the College Values. Acknowledging and praising students during these assemblies is powerful.

- The planned Advisory program ensures consistency and provides a focus for advisory sessions.
- The Peer Support program is a definite positive.
- There is good communication within the community. Year 7 use of diary is excellent and works well when parents sign them each week. Restorative approach to student management – puts the onus back on students, fosters problem-solving skills, encourages students to take responsibility for their own their choices.
- Year 7 Camp – great orientation to the school, set the tone for the cohort

FOCUSING ON THE COLLEGE VALUES
We will be focusing on the value of “Integrity” in Term Two and particularly, noting behaviours that demonstrate integrity. Advice on ways to support children to value and foster integrity will be shared via Community Assemblies, the advisory program and through the newsletter. Watch this space!
Well it has been a very productive term with students and teachers all working hard to be their very best. The Year 7 students have been working with their Year 10 mentors—building relationships and doing a range of activities that are fun but also allows students to think about what kind of a person and student they are. The Mentor program will continue for a few sessions next term to finish off the activities planned and to reconnect with their year 10 mentors.

Year 10 Yates students will have all finished their OHS training and all their key notes and certificates should be presented in their MIPS folder for Mrs. Spencer-Jones to finish the final sign off. Our Year 8 and 9 students have been doing their Advisory activities and I would encourage all of our students and parents to continue to access Compass as a resource to find out what learning tasks will be coming up next term.

At the start of Term 2 our vertical group Yates Challenge teams will participate in a spectacular round robin event each week where we will be introducing some “Old School Games” as the challenges. Wonderful old games such as Elastics, Quoits and Table Bob’s. Each week the teams will participate for the best times and scores to outdo the other teams.

The Yates team wishes everyone a wonderful and safe Easter holidays.
The year is progressing rapidly as we conclude another busy and short first term.

As I mentioned in our recent Ipsen Assembly it is important for students to focus on concluding the term in the best possible way. Completing all work and tasks and to begin thinking and planning transition into Term 2. It is very important for all students as they progress through secondary school to continue to work on developing study habits and skills that best prepare them for a pathway and/or career option.

In the Ipsen newsletter reports from now on there will be a contribution from a promising Year 10 Ipsen student who is very keen to expand on their writing skills and make a contribution on behalf of all Ipsen community students. This student is known as the Ipsen Eagle and below is a round-up of the year so far from the Ipsen Eagle.

Congratulations to the Ipsen students who earlier in Term 1 were awarded to be a part of the Ipsen Student Leadership Team. Student Leaders include Lu Lu Say Paw, Tom Campbell, Lauren Harris, Ozzie Harwood, Katie McKellar, Jasper McClelland, Jess Maher and Jess Robinson.

On March 9th, our Year 7’s took a trip to Kyneton for their Orientation Camp which created smiles and newly formed friendships. The camp was a huge success for the Ipsen Year 7 students and other Year 7 students from across the college.

A handful of Ipsen Year 10 students have been given the opportunity to demonstrate leadership skills and qualities working closely with the Year 7’s, helping and supporting them in their first year of high school. This program is known as the Peer Support Program and has been running all this term. The program has been extremely positive and supportive and will continue part way into next term.

At the college swimming sports earlier this term it was great seeing so many smiling faces. Unfortunately Ipsen did not win the David Kaye Cup, but we have our sights set on Athletics Day! As a community we will be looking to have as many students dressed in yellow getting involved and having a go and come away from the day with a smile.

-Your Fellow Yellow Ipsen Eagle.

Well done to all Ipsen students who have made contributions across Term 1 and I would encourage all students to continue to give everything their best effort.

Lastly, I would like to wish everyone a Happy Easter and again like to extend an invitation to any parents and guardians to contact the college to speak to me or any staff member with any questions or feedback from Term 1.
On the morning of Wednesday March 9th, the EBT team hosted a morning tea for prospective business sponsors. Although there were limited businesses available to come we have received offers of support and sponsorship to help our cause this year.

Our team is busy working hard to prepare for our first race of the year, the Loxton Pedal Grand Prix. This is a 6 hour race in Loxton, S.A. on Sunday 15th May. The EBT Team will travel to South Australia on Saturday 14th May for scrutineering then compete in the 6hr race and return home on Sunday.

As a college we are working with Jason “H” Treloar to construct a new vehicle this year. With increasing interest in the sport we require a vehicle that is suited to more riders. A number of the team members are well over six foot and don’t safely fit within the roll cage of our current vehicles. Students will be starting this process as part of the College Science/Arts Festival in April where they will be working with Jason in determining the dimensions of the vehicle so that construction of the jig can begin.

Our first fundraising event will be held in early Term 2. We will be hosting a dinner at the Bendigo Stadium on Monday 9th May. Any parents or friends of the college that wish to attend please contact Al Sharp by Friday 6th May so indicative numbers can be given to the stadium. These are great nights supporting one of our Colleges teams and all you need to do is go out for dinner. There will be raffle prizes to be won! Hope to see you all there.

2016 DEB BALL

A reminder to families, debs and partners that your first dance lesson will be held at the Dance Studio, 161 Barnard Street, Bendigo on Sunday 17th April (1.00—3.00pm). The training schedule is listed below for your convenience. We must also remind families that the Dance training payment of $160 per couple or $80 per student must be paid no later than Wednesday 13th April. If debs or partners have not made this payment, they will be excluded from dance training until the payment is made. Dance instructors will be advised of any students that have not made the training payment.

PLEASE NOTE:- you may only miss a maximum of 3 dance training sessions.

There will be an Information Night at the JB Osborne Theatre on Wednesday 13th April from 7pm. This is a forum for parent to ask questions, but also for parents to get lots of information.

If you need any further information regarding the Deb, please contact Gwenda Pratt at the college on 5447 7722.

Sunday April 17th 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday April 24th 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday May 1st 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday May 8th 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday May 15th 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday May 22nd 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday May 29th 161 Barnard St Bendigo 1.00pm – 3.00pm
Sunday June 5th Truscott Reserve-Wes Vine Pv 1.00pm – 3.00pm
Sunday June 12th 161 Barnard St Bendigo Flat 1.00pm – 3.00pm
Thursday June 16th Truscott Reserve-Wes Vine Pv 6.00pm – 9.00pm
Friday June 17th Truscott Reserve-Wes Vine Pv DEBUTANTE BALL

Training will commence promptly at the stated time, please be there 15 minutes beforehand.
The 2016 Art/Science Festival will be held at the College on Wednesday 27th and Thursday 28th April.

During these two days normal classes will be suspended and students will have the opportunity to attend and try activities that normally do not fit into the school curriculum. Each day of the festival will be divided into a morning workshop (Session 1 & 2) and an afternoon workshop (Session 3 & 4).

Students will select from the range of workshops on offer. The selection process for students will start at the beginning of Term 2.

There is a wide variety of workshops on offer over the two days. Some workshops will include jewellery making, musical presentations, cane-ball sports, drawing images gathered from microscopes, pin-hole photography, making and launching model rockets.

At the conclusion of the Festival on Thursday 28th April the college will be open to display the work of the students to the wider school community.

Some workshops will incur a small fee (approximately $5) to cover costs of materials. In each case students will be producing a piece of work that can be taken home after the presentation evening.

The Art/Science Festival is a great opportunity to participate in some out of the ordinary activities not normally offered at school and to work with student and teachers from across the college.

Even though normal classes will not be running these are normal school days and students are expected to select and attend all 4 workshops.

CONGRATULATIONS TO ONE OF OUR OWN!!!!!

Ella Farnell 10D

This is an action shot of Ella competing at the Australian Track and Field Championships that were held in Perth over the weekend 11, 12 & 13th March.

Ella got a 14cm PB and came 4th in the Triple Jump, missing out on a bronze medal by 5cm.

Ella also competed in the long jump and narrowly missed a PB by 6cm.

Well done Ella, this is an awesome effort.

**EPILEPSY AWARENESS MONTH AND PURPLE DAY**

Purple Day is a special day on the 26th March every year to bring awareness to Epilepsy.

Purple Day was founded by a nine year old girl in Canada called Cassidy Megan, to get people talking about epilepsy. In 2016 this special day falls on Easter Saturday and there are lots of ways you can get involved!

* Log onto the Epilepsy website at [www.epilepsyact.org.au](http://www.epilepsyact.org.au)
* Read the information about Purple Day
* Wear something purple on Saturday 26th March or Host a Purple themed party on Easter Saturday!

Bendigo’s Iconic Alexandra Fountain will turn ‘purple’ during Wednesday, 23rd March - Wednesday, 30th March in support of Epilepsy Awareness Month & Purple Day.

**Some facts about Epilepsy**
- Epilepsy can affect anyone at any stage in your life
- Affects the brain causing seizures, the result of sudden uncontrolled electrical discharge in a group of brain cells. Symptoms vary from staring to unconsciousness
- Affects about 2 people in every 100
- Affects all ages, races, intelligence & social-economic levels
- 3% to 3.5% of Australians will experience epilepsy at some point in their lives (ABS)
- Most commonly affects under 5 years and over 55 years
- Most people with epilepsy can live happy and fulfilling lives

Epilepsy is **NOT**
- Epilepsy is not always inherited
- Epilepsy is not always caused by serious head trauma
- Epilepsy is not contagious
- Epilepsy is not a mental or emotional illness
- Epilepsy does not mean that a person has an intellectual disability or learning difficulties

---

**YEAR 8 CAMP—CAMP HOWQUA**

We have extended the return date to hand in the 2016 Year 8 Camp Expression of Interest/Deposit form to Friday 15th April. Come on Year 8 students—Camp Howqua is AWESOME, just ask our 2015 Year 8 students, they had an amazing time at the outdoor education camp.

The camp will cost $310-$320 approximately. We are asking for a non-refundable $100 deposit to secure your child’s place on the camp. Expression of Interest/Deposit forms are available at the General Office, or alternatively you can print one from the Compass portal.
STUDENT EXCHANGE PROGRAM

OPPORTUNITY FOR STUDENTS TO EXPERIENCE ANOTHER CULTURE,
MAKE NEW FRIENDS
AND IMPROVE THEIR LANGUAGE STUDIES AT HOME

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life! All students have at least basic levels of English, would attend a school in your local area and live the life of a local. Below is a sample of students who will be arriving.

For 16 year old Danish student Maria, coming to Australia, living with a local family and attending school here is a long held dream. Maria enjoys attending school and her favourite subjects are Math, Biology and Gym and after school she enjoys playing handball. Describing herself as trustworthy, responsible and positive. Maria is looking forward to introducing you to her way of living with some Danish cooking.

15 year old French student Merlin, likes to play video games, rugby and catching up with his friends. Whilst in Australia, Merlin is hoping to join a rugby team, discover new foods, make new friends, integrate with his host family and attend school. He is looking forward to seeing the Australian landscape and would be keen to see the native wildlife, some museums and a zoo.

Described as the sunshine of the family, Hanna is a 15 year German student who is looking forward to living in Australia, going to school, improving her English and learning a new culture. Hanna enjoys gymnastics and making new friends and when possible travelling. Hanna says she is determined, adventurous, responsible and positive.

16 year old Japanese student Sachiko is looking forward to broadening her horizons and becoming fluent in English. She enjoys watching movies and whilst in Australia would like to cook for her host family. After hearing that most Australians have pets in their home, Sachiko who is a dog lover, is hoping to be with a family who has pets.

You can view more profiles of students arriving soon from our website. Please note that this is just a handful of the students who will be arriving. If families would like a selection of student profiles sent to them to review and decide which student may fit into their family best, please contact us or reply to this email.

The Stuart family were thrilled to have Danish student Simon stay with them for 8 months. As commented by host mum Victoria, "It has been a fantastic experience. Simon has been an awesome role model to our two young children, he has been like an older brother to them." Victoria continues, "the experience has benefited us too, as it has allowed us to have greater free time and flexibility as a family. I was very impressed with Simon, as within the first couple of days he was here, he asked what should his chores be?"

"Just give it a go, the benefits will surprise you. I highly recommend it", mentions Australian Host Dad Andrew, from the Stuart family. "Not only do your children benefit, but the benefits exist for the parents too." Host Dad, Andrew continues, "We are so lucky to have Simon come stay with us. He is a fantastic student, easy going and not very demanding. He has fitted into the Australian way of life so easy. He even obtained his Bronze Medallion. We are so proud of Simon."

V-LINE NEWS

We wanted to provide an update on our restoration plan and let you know there will be an uplift in V/Line train services from next week.

From Monday 21 March 2016, V/Line trains will return to 43 services each weekday. This means more services will be running as trains on the Geelong, Ballarat, Bendigo and Gippsland lines with fewer coach replacements. Details of the service improvements are listed below.

Bendigo
On the Bendigo line, the return of a train to the 06:17 Southern Cross to Bendigo service means six services remain as coach replacements:

- 05:07 Bendigo to Southern Cross
- 06:22 Eaglehawk to Southern Cross
- 07:21 Kyneton to Southern Cross
- 16:25 Southern Cross to Eaglehawk
- 17:04 Southern Cross to Kyneton
- 17:31 Southern Cross to Epsom

Please be advised that free travel still applies on remaining coach replacements. A valid myki or paper ticket is required to travel on regular V/Line train and scheduled coach services.

We are still on track to have all services returned to normal by June/July and will continue to update you on any developments.

If you have any further questions or concerns, please don’t hesitate to contact us at comms@vline.com.au.

Best wishes,  
The V/Line team
