PRINCIPAL’S REPORT
Brad Madden

Year 10 exams
Students in Year 10 will sit exams in their core and some elective subjects next week. The exams will occur during the normal class times so there will be no variation to attendance requirements for any students. If students are not sitting an exam, they will have their normal timetabled classes. The exams will be held on Tuesday, Wednesday and Thursday with the opportunity for catch up on Friday. If you know of an unavoidable absence for next week that may impact on the exam timetable, please speak with your child’s advisory teacher to make alternative arrangements. Learning to deal with the preparation and conduct of exams with confidence are vital skills for successful students. Feedback on performance in exams will be provided in the final two weeks of Term 2.

Report timeline and process
End of semester reports will be available to parents after the holidays through the new Compass portal. This is a new timeline to what has happened previously where reports have been distributed at the end of Term 2. This has come about through the progressive reporting facility within Compass where parents are able to access marks and comments about student performance on each assessment task as it is completed. Within the next week, feedback will be available for the third assessment task for the semester. This means that the only remaining components of the report to be completed will be the comments on the final assessment task, summary data relating to attendance, effort & behaviour along with suggestions for future improvement. In order to maximise learning time and allow students the whole term to complete their work requirements, the submission dates for the fourth assessment task will be in the last week of the term. Previously, work completion time has been reduced by the need to have assessment tasks submitted in time for correction and reporting within the term. Parents will be notified through the Compass program when new information is available. If you have any queries about accessing Compass, please contact the office, or contact your child’s subject teacher for specific information about progress.

Congratulations
Well done to the Crusoe Crusaders Volleyball team who were successful in winning the Volleyball Victoria’s State Schools Cup in Melbourne last Friday. This is a tournament featuring school teams in the U/17 age group from all over Victoria. This is another achievement in an ever increasing list as the boys prepare for the National Championships at the end of the year.

Road works in Olympic Parade 15th June to the
As we advised in the last newsletter and you will now see on signs in surrounding streets, there will be works to upgrade the roundabout at the intersection of Mackenzie St West and Olympic Parade from June 15. This will have a significant impact in travel times along Olympic Parade and access via Mackenzie St West as well as on school bus routes. Some buses will be dropping off and picking up from in front of the JB Osborne Theatre while other buses will drop off and pick up in Collins St which will be accessed through the vacant land between Mackenzie St West and Collins St. For this reason, it will be important that parents waiting for students do not park in this area. There will be additional supervision to ensure that students can cross the road safely and students waiting for the bus will be expected to wait inside Crusoe College or at the existing bus stop until the buses are ready for them to board. The contractors completing the road works have been very willing to communicate with us to ensure that we can put in place arrangements that minimise the inconvenience to buses and parents in vehicles so please be patient in the initial days of the works and feel free to contact the College if you become aware of any problems with the new arrangements.

Student free day for Term 3
At the next School Council meeting to be held on Monday June 20, we will be recommending that Thursday July 21 be a student free day to allow teachers to work with experts from the Victorian Curriculum and Assessment Authority on the planning for implementation of the Victorian Curriculum in 2017. This date still needs to be confirmed but advance notice is being provided to assist families with planning.

Reminders—Please note the following points to support your children and the College generally.
Semester 1 fees and payment plans need to be finalised as soon as possible
Monday, June 13, is the Queen’s Birthday holiday and the College will be closed
Wednesday June 22, Out of Uniform Day & Sausage Sizzle (THEME—Sports Colours)
Friday, June 24, is the last day of term and will end with students to be dismissed at 2:30pm.
(Country bus travellers—any changes to bus times will be advertised in the next newsletter on June 17th)
UPCOMING EVENTS

Victorian Schools Volleyball Cup, Melbourne

Friday 29th July
Careers in Science, La Trobe University, Bendigo campus

CRUSOE COLLEGE SAYS 'THANK YOU'

We would like to give a huge THANK YOU to Uniting Care, Kangaroo Flat, McKern Steel and JL King for supplying the food and fresh fruit that we were able to distribute to students in Years 7 & 9 during the NAPLAN testing days. The breakfasts were well received by our students and we have received a lot of praise from families and students about the breakfasts.
The last two weeks have been a whirlwind for the Crusoe Crusaders with the team experiencing a mixture of highs and lows.

Following their victory as the Loddon Mallee Region Championships in Mildura, Matt Poulter, Lachlan Hill, Matthew McSwain, Angus Keith, Jet Cox, Dillon Gauci, Kaden Gledhill, Lachlan Tranter and new Crusader Tom Wigney, accompanied by Super Coach, Mr Gary Mullens and Bus driver extraordinaire Mrs Gwenda Pratt, travelled to the State Volleyball Centre in Dandenong to represent their region at the School Sports Victoria State Finals.

This was the first time the boys had truly mixed it up with best school teams in the state. In their pool games they faced Eltham HS, Shepparton HS and Brauer College. Although the Crusaders fought hard, their nerves got the better of them at stages and as a result finished the day winless after three very close games. There was no hiding the team’s disappointment after so many close defeats, but the boys’ character ultimately started to shine through as they picked themselves up and used their experience as motivation to train harder and above all, keep having fun.

Last Friday, the Crusaders returned to Dandenong to compete in the Volleyball Victoria State Schools Cup. Having learnt from their experiences the previous week, the boys led by captain Matt Poulter started the day very strongly, defeating Marymede College. Throughout the pool stage every one of the boys contributed, Gauci’s blocking, Cox’s serving, Keith’s setting and Poulter’s spiking capped off several convincing team performances. The Crusaders ultimately progressed to the final where they faced Wellington SC, a team they had lost to earlier in the day. The game was played on a show court and was very noisy. The Crusaders started the game slowly and although they gradually improved they soon found themselves one set down (17-20). Self-belief was still quite high in the group and some strong serving from Hill and McSwain saw the team up 19-14 and on the cusp of taking the second set.

Wellington was able to surge and the set was soon 19-19. After a quick tactical timeout the boys were able to rally and take the second set 21-19. At this stage the team huddle was electric; the boys knew they had a real fight on their hands. To add to this the game was being played to a time limit, so the boys would only have nine minutes to take the game. The third set was played under high pressure, but the Crusaders were able to deal with this better and slowly pulled away, finishing up 12-7 when the timer elapsed, taking the final 2-1. The victory was followed by a rousing rendition of happy birthday dedicated to Mr Mullens (who was very proud and appreciative). We will return to Melbourne in two months where they will face off with these teams again to qualify for this year’s Australian Volleyball National Schools Cup. They are looking forward to the challenge.

In other volleyball news, after three weeks of rigorous trials, two Crusaders Matt Poulter and Matthew McSwain have been selected in the Under 17 Victorian squad and are set to represent Victoria at the 2016 Australian Junior Volleyball Championships in Queensland in September. This is a fantastic effort by the boys. Well done to you both.
Year 10 News
Chantelle McMillin—Careers/Work Experience

Work Experience & MIPS Folders

- **Monday 5th—Friday 9th September**
  - **Work Experience—10ABCD**
  - **Careers Expo for other groups**

- **Monday 12th—Friday 16th September**
  - **Work Experience—10EFGH**
  - **Careers Expo for other groups**

The timeline for Work Experience just keeps getting closer! Please continue to have conversations with your child about their interests and where they might like to complete a work experience. Students need to have completed OHS certificates and notes before they can commence work experience. Students are encouraged to talk to their advisor and book an appointment to see me to discuss their options. However, it is the student’s responsibility to arrange their own work experience. They are responsible for ensuring that the employer had signed the necessary paperwork. If you have any queries or concerns, please don’t hesitate to contact me!

Students are also working on a number of activities in advisory in their MIPS folder. These activities are extremely important in collecting information relevant to the Transition process in Term 3. As a parent we encourage you to become part of this process, to ensure a smooth transition later in the year. Please encourage your child to bring home their folder and have conversations about the purpose of the information they are collecting. Some of this information may appear very simple such as, information about subjects this year, interests outside of school and work or sporting commitment. However, the more accurate our information is the better understanding we can have of each students needs for 2017

Thank you for your continued support.

**BSSC EXPO Wednesday 15th June**

Just a reminder about the upcoming excursion to BSSC. The expo involves all Year 10 students and students who participate in external programs such as, VET Building & Construction and Hairdressing are required to attend the expo. Students are asked to be at school for Advisory, they will be bussed to BSSC with all Year 10 students and then arrangements will be made by David Pocock to take students to their alternative programs.

The expo will take place during Advisory and Sessions 1 and 2. It is at no cost to the students and students will gain the following insight into different pathways that are available to them.

**This Expo aims to provide your child with:**
- Assistance to see the link between their subject choices and a suitable Pathway Community as this can often be a difficult decision;
- Another forum through which they can receive information about our Pathway Community model. This is an area that is often missed in the Course Counselling process due to many other factors having to be considered;
- A fantastic transition opportunity to tour college facilities outside of Open Day during normal class time. Students have the opportunity to become excited about what is on offer. This will also hopefully allow them to feel more comfortable about attending BSSC for Transition in November;
- Advice about a course that is right for them, and how to link this to their Pathway Community. Teachers from different subject areas will be available to discuss course selection with students

This expo is aimed at all Year ten students in the hopes to discover a pathway that will suit everyone and not just those intending on completing their VCE.

Students will have access to La Trobe University, TaAFE and BTEC information.

This expo is information only and given that other educational resources are on offer, it is vital for everybody to attend. It does not matter if a student is thinking that BSSC is not for them – it is a chance to see the school and talk to other educational providers such as, TaFE and BTEC.
PERFORMANCE ASSEMBLIES
When students feel safe in their learning environment, they are more prepared to take risks. Growth and improvement are often the result of boundaries being pushed and challenges being embraced, however this will only happen when students feel accepted, protected and valued. In White Community our program of “Performance Assemblies” aims to enhance these elements by valuing and celebrating students’ gifts and talents.

Last Tuesday, Bradley Woodward, 10H performed two of his original compositions for White Community. Brad sang Spirit in the Air and In this Song, and accompanied his singing by playing guitar. The students in the community were blown away by Brad’s confident performance and he has inspired others to perform at future assemblies.

CELEBRATING OUR STAFF
White Community today celebrated the news that Donna Hall, a much-admired Education Support staff member will continue working at Crusoe College in 2016. The team held a special lunch and presented a gift, in recognition of Donna’s commitment to supporting student learning in our community.

CATCH UP CLASSES IN WHITE COMMUNITY
Submission of work for assessment is critical to students’ academic success. Catch up classes are designed to ensure that students submit all tasks. If a student does not submit an assessment task, they will be required to attend a catch up class on Monday or Wednesday lunchtime and will be alerted via Compass. These classes are a SUPPORT for students, not a punishment. If students cannot maintain their own academic organisation, we have an obligation and duty to support them.

THE 2016 PLAIN ENGLISH SPEAKING COMPETITION
Thomas Wigney and Bradley Woodward represented Crusoe College at the 2016 Plain English Speaking Competition on Monday 23rd May at Girton Grammar School.

Competitors were required to present a prepared six minute speech on a topic of their choice. Tom shared his experience of attending the Dawn Service at Gallipoli in 2015, on the 100th Anniversary of the Battle. His speech was both moving and highly informative. Brad’s speech articulated his passion for music and the important role that he believes music plays in our lives. He spoke with fervour about the impact music had on him and the role it has played in his teenage years.

Competitors were also required to present an impromptu speech in response to the statement: “True wisdom comes from experience.” Our students performed well in the complex impromptu section and both came close to achieving two-minute presentations, with only five minutes to prepare their speeches. Tom and Brad embraced the challenge and were able to think on their feet and respond effectively under the pressure of this incredibly tight time frame.
TERM 2 COMMUNITY CHALLENGE

THE STUDENTS HAVE HAD FUN COMPETING IN OUR TERM 2 COMMUNITY CHALLENGE. LOTS OF TEAM SPIRIT AND SUPPORT FOR EACH OTHER. WELL DONE TO ALL INVOLVED.
CURRICULUM NEWS
Jill Clapham—Curriculum Leader

It has been another busy fortnight with many students and teachers extending their learning beyond the classroom, including excursions to the Soldiers’ Memorial and the Bendigo Law Courts. On Wednesday night, many families braved the winter chill to join members of the Bendigo District Astronomical Society (BDAS) here at school. With 6 telescopes set up on the tennis courts there was ample opportunity to view the skies. The highlight for most people was seeing Saturn, with its beautiful rings and giant moon, Titan. We could also see the bands of colour on Jupiter and 4 of its moons. It was amazing to look at a seemingly empty patch of sky near the Southern Cross and see a group of shining, coloured stars: the jewel box. The globular cluster “Omega Centaurus” was another fascinating site. Thank you to all families who attended on the night and to the volunteers from the BDAS for sharing their knowledge and enthusiasm.

PS. If you missed this opportunity, the next BDAS “Sidewalk Astronomy” at the Discovery Centre is scheduled for June 10th, 4pm-6pm. The earlier start enables viewing of the sun through special filters. A gold coin donation is appreciated.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

OUT OF UNIFORM DAY—WEDNESDAY 22nd JUNE

We will hold our Out of Uniform Day on Wednesday 22nd June. The theme for the day is ‘Sports Colours’. So please wear the colours of the teams that you support and bring a gold coin donation for any students out of uniform. We will hold a Sausage Sizzle on the day for lunch $1 for a sausage in bread. The money raised will support our Crusoe Crusaders Volleyball team to attend the Victorian Schools Cup in August. This is a 3 day tournament and the students will need accommodation/entry fees/transport and meals. Please get behind this fundraiser to help our champion volleyballers get to the next level of competition.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

COMPASS—Tech Tips for Parents and Guardians
Drew Roberts

Attendance: Entering a Parent Approval

1. From the Compass home screen (or from your student’s profile), click the ‘Actions for’ button for your child and select the ‘Add Parent Approval’ item.

2. From the pop-up window, select the reason, enter a brief description of the absence, select the start and finish time, and click the ‘Save’ button.

Note: Where possible, parent approvals should be entered prior to the absence occurring.
MUSIC DEPARTMENT NEWS
Jane Geddes/Drew Roberts

Music Week - Monday 20th June to Thursday 23rd June
With the BIMP Music week only a couple of weeks away we are delighted to announce this years’ esteemed Ensemble Conductors.............

Grainger Band will have the privilege of working with Ms Sue Bradley.
Sue currently teaches tuba and euphonium at Caulfield Grammar School and is known for her guest work at various music camps. Sue holds the degree of Master of Music Studies from the University of Melbourne, and is a Fellow and Licentiate of Trinity College of Music London. Sue performs as a freelance tuba soloist and ensemble player, and is known to smuggle the serpent, ophicleide and cimbasso into the orchestra whenever possible. She also works as a photographer, writer, editor and translator.

Holst Band look forward to the direction of Mr Chris Smith.
Chris is the director of several ensembles at St Bernard’s College in Melbourne. He is a conductor renowned for his enthusiasm and passion for music education. Chris has a broad background in music performance and is also a tuba specialist.

Copland Band will be under the baton of Mr Monte Mumford.
Monte has an international reputation as a conductor, adjudicator and clinician, contributing regularly to the field of music education and performance studies through conference presentations, publications, professional development offerings, and master classes. He is highly regarded for his musical experience, expertise, passion and effective teaching style. He is in demand as a guest conductor, music education consultant, and adjudicator, providing performance strategies and professional development for music educators, administrators and students alike.

String Ensembles will have the honour of working with Mr John Noble.
John was born in the UK, and arrived in Australia in 1982. He studied music at the University of Melbourne and has been a member of Orchestra Victoria, his current orchestra, for 22 years. He has performed with the Melbourne Symphony Orchestra, the Tasmanian Symphony Orchestra and the Australian Philharmonic Orchestra, and has played for 25 years in the Hermitage Trio – a Palm Court Ensemble. He says performing The Ring Cycle has been a career highlight to date.

All woodwind, brass, percussion and string students should have their registration forms into the office now to reserve their place in an ensemble, but if you haven’t, places are still available so get in quick!

BIMP BAND DAY OUT
Jane Geddes—BIMP Coordinator

On Friday 27th May students of the Junior and Senior band were involved in Band Day Out. Students started the day early and they travelled to Bendigo South East SC where they performed as part of the Bendigo Competitions Schools Day. Groups from around Bendigo schools were all present to perform in concert bands, string ensembles and rock bands.

Our Junior band was first up and they did an outstanding job playing “Hot Cross Buns”, followed by “Lightly Row”. This was the first time on stage for this group and they did really well under pressure, receiving positive comments from the adjudicator.

Our Senior band was on just before lunch and they played an entertaining performance of “Gum Leaf Rag” and “Rum Bah”. The adjudicator commented on our good choice of pieces which were played stylishly!! After the mornings work we headed to McDonalds for lunch and to celebrate the achievements of both bands as they were awarded a Bronze Standard for their performances.

The next opportunity to hear the bands play will be at the end of Semester Concert, Thursday 16th June, 7pm in JB Osborne Theatre.
DEBUTANTE BALL and CAMPS UPDATE
Gwenda Pratt

Debutante Ball
Our Deb Ball will be held on Friday 17th June, and plans and details are being finalised at the moment for the upcoming Debutante Ball. All Debs and Partners are working hard at Dance classes and will look and dance magnificently on the night. The colours for the decorations and tableware for the hall have been decided, the caterers are busy preparing the menu, the band is booked and the Debs and Partners are getting very excited. Tickets are available until Friday 10th June @ $50 per ticket from the General Office. We are very sorry to say that ‘VIEWING’ is not possible at the venue or at the college. All attendees must purchase a ticket.

2016 Ski Trip—2nd to the 5th August
We are just updating families/parents/students with the latest on the Ski Trip—payments are coming in well, thank you. We ask that the final payment be made by Friday 22nd July. There will be an Information Night held for students and families on WEDNESDAY, 13th July @ 7pm in the Dyson Building ‘B’. This meeting is Compulsory for students and families to attend so they receive up to date information, discuss protocols around behaviour, itinerary, medical information etc. If you are unable to make this information night, please make contact with Debbie Spencer-Jones the coordinator of the camp to organise alternative arrangements to get the information.

2016 Tasmania Trip—4th to the 9th September
Thank you to families, we see that the payments are coming in on time and being kept up to date. We ask that families continue to make the payments as per the payment schedule. We will be hosting our Information Night at the college on Wednesday, 10th August @ 7pm in the Dyson Building ‘B’. This meeting is Compulsory for students/families to attend so that they receive up to date information, discuss protocols around behaviour, itinerary details, medical information and changes etc. If you are unable to make this date, please make contact with Gwenda Pratt to organise alternative arrangements to get the information.

Year 8 Camp Howqua
We are pleased to offer the Year 8 Camp Howqua in November. The dates for the camp will be Monday 21st, Tuesday 22nd and Wednesday 23rd November. We have been travelling to Howqua for the past two years, and the camp is an exciting outdoor camp. Over the past two years the students and staff have enjoyed all the activities that are set and have loved the challenges that are put in front of them to complete. The cost of the camp is set at $320.00 and we accept cash/cheque/eftpos/bpay or csef for payment at the General Office or you can phone and pay via credit card.

Students have been given the Expression of Interest forms at the end of Term 1 and again during Term 2. We are now requiring all forms and deposits to be returned for the processing of final numbers so that the camp staff can start planning the activities for the students. If you have misplaced your form, please collect one from the General Office or you can download one from the Compass newsfeed. For any further information, please contact Mrs Waterson at the college on 5447 7722.
